Denny Drewry Golf Memorial

JUNE 20th @ Highfields Golf Course

Many Americans know our veterans need help, but did you know we who have seen war will never stop seeing it,

in the silence of the night we will always hear the screams.

- we were soldiers

Our Veterans today suffer in the silence of night. Some are so hopeless that they think the only way out is to commit suicide.

22.

That's the number of Veterans who commit suicide every day.

Hopelessness is ravaging our nations hero's and with your help we can provide hope to the hopeless.

Our proven method of taking warriors Fishing in Costa Rica helps provide a platform for healing.

It gives our nations hero's the opportunity for one week to live, laugh and grow with their fellow warriors in an exotic setting that fosters growth and change.
